

Blessings in a Backpack - Livonia is having a **Cereal Drive** for at-risk students in Livonia Public Schools!

When:

- ◆ We need the cereal **NO LATER** than **May 7, 2018** in order to get it to the children before they leave school for the summer!

Why:

- ◆ In southeast Michigan, more than 200,000 children are food insecure
- ◆ During summer, without school lunches, these children often experience hunger.
- ◆ Cereal needs no preparation, can be eaten at any time of the day, & is well-liked by children.

What:

- ◆ **Standard-sized boxes** (NO HUGE or single serving boxes) of **cold**, whole-grain cereal: 15 - 25 ounce boxes. Please, **no glued-together boxes!**
- ◆ Healthy cereals are **free of artificial colors & dyes**, & **LOW in sugar**: (6 grams or less, approximately).
- ◆ **Examples of healthy choices:** Corn Flakes, Rice Krispies, Crispix, Cheerios, Kix, Wheaties, Special K, & Raisin Bran. **NO OATMEAL, PLEASE!**

Blessings in a Backpack-Livonia will also accept monetary donations (cash or check), & will purchase the cereal for you. Checks should be made out to Blessings in a Backpack, with "Livonia" in the memo field.
